

Multi-Match® Information

Keep this form for your records

- With a subscription to Multi-Match, you do not need to check your numbers because the Lottery will do it for you. If you win \$20 or more, a check will automatically be sent to you within 2–3 weeks. If you win the \$2 or \$7 prizes, the Lottery will send one consolidated check at the expiration of your subscription.
- There are a variety of subscription plans available for 26, 52 or 104 drawings, playing 1, 2 or 3 games per drawing. For each game, select one set of six numbers from 1 to 43. You have the option to choose your own numbers or to have the Lottery randomly select your numbers for the duration of your subscription.
- Multi-Match drawings are held twice a week on Monday and Thursday evenings.
- Multi-Match jackpots start at \$500,000 and keep getting bigger each time the jackpot has not been hit.

It's easy! Complete this application form by selecting your plan and numbers, and return it along with a check or money order payable to the Maryland State Lottery and Gaming Control Agency in an envelope.
